Affidavit of Damien James Rose
State of Wyoming, County of Fremont
Date: August 15, 2025

I, Damien James Rose, declare under penalty of perjury, pursuant to 28 U.S.C. § 1746, that the following is true and correct to the best of my knowledge:

I am a resident of Hudson, WY (zip code 82515), on the Wind River Reservation, and an Eastern Shoshone descendant (13/32nds blood degree, Vida Haukaas). I submit this affidavit to document violations of my constitutional and treaty rights, causing severe emotional distress valued at $24.9M–$87.15M.

In [month, 2023], Fife Police detained me curbside in Tacoma, WA, for a copper theft incident, took testimony, and released me and my friend, we assumed that we would be arrested at Cavenaugh Stability Site if evidence was found. No arrest occurred.

Cavenaugh Stability Site failed to update my address, sending court notices for a resulting bench warrant to Spokane, WA, despite my Tacoma residency, as evidenced by DSHS mail (Exhibit A). This constitutes mail fraud (18 U.S.C. § 1341).

I, my friends, and family made multiple outreach attempts to Tacoma Police for a welfare check regarding the warrant, with no response, evidencing suppression of my claims.

I publicized the warrant, police inaction, and Cavenaugh’s poor living conditions on the bishop’s Facebook page and sent details to news outlets. Two weeks later, Cavenaugh evicted me for “escalation,” suggesting retaliation for my free speech.

Instead of jail, I was sent to Tacoma General Hospital, where I observed hospital security coordinating with Fife and Tacoma Police outside my room on [date, 2023].

Tacoma General transferred me to R&I International, where I was falsely diagnosed with “Unknown schizophrenic spectrum and other psychotic disorder” without medical basis and forced to take medication against my will. I was discharged to Tacoma Rescue Mission (Exhibit B: Discharge Paperwork).

My Cognitive Signature Index (CSI, 0.42 median-average difference, IQ 135–150+), documented in The Rationality of the Survivor Mind (Exhibit C, Page 12), refutes the diagnosis, indicating fraud to discredit my gang-stalking claims.

From 2023–2025, I conducted spectral analyses in zip code 82515 using Phyphox and headphone jack ADC, revealing anomalous RF signals (500 Hz, 5000 Hz) consistent with patent US6470214B1 (Exhibit D: Spectrogram, Pages 5–7). This proves electronic harassment.

Tacoma Police and Fife Police failed to enforce the 2023 copper theft warrant and a 2025 Wyoming DUI/probation violation warrant, despite my non-compliance, further evidencing suppression (Exhibit E: Grandmother’s Affidavit Copy).

The actions of Cavenaugh Stability Site, Tacoma General Hospital, R&I International, Tacoma Police, and Fife Police constitute a RICO enterprise (18 U.S.C. § 1961–1968), engaging in mail fraud, obstruction of justice, fraud, and retaliation.

Harassment in zip code 82515 targets my Shoshone advocacy, violating Fort Bridger Treaty (1868) Articles 7 and 9, as submitted to the Eastern Shoshone Attorney General on August 7, 2025 (Exhibit F: Email).

Non-responses from the Attorney General, community, and contacts since July 8, 2025, constitute suppression and potential retaliation, supporting a conspiracy to deprive my civil rights (18 U.S.C. § 241).

I uploaded a prior affidavit to archive.org on July 8, 2025, as public notice, and maintain records at damienjamesrose.wordpress.com.

I seek remedy for intentional infliction of emotional distress, RICO violations, due process violations (42 U.S.C. § 1983), conspiracy to deprive civil rights (18 U.S.C. § 241), and treaty violations, as detailed in The Rationality of the Survivor Mind(Exhibit C).

I declare under penalty of perjury that the foregoing is true and correct. Executed on August 15, 2025, in Hudson, WY.

Signed,
Damien James Rose
